BEN GARCIA MEMORIAL "PURPLE MONKEY" TOURNAMENT

The Purple Monkey Tournament is held every year in honor of Ben Garcia, the son of now retired Alvin High School Coach, Lenny Garcia. The tournament was started to give honor to his memory by giving scholarships to senior water polo players. Initially, coaches volunteered to referee to games to cut down on costs, but today, the tournament has flourished into one of the largest water polo tournaments in the state of Texas.

Clear Springs will be participating once again in the tournament this April. We encourage all senior water polo players to apply for the Ben Garcia Memorial Scholarship. Coach Ford will have applications closer to the tournament.
